

This has been the most wonderful Christmas!

Toni absolutely loves her new puppy! She named her Addie and she loves her to death! Addie is the most confident puppy I have seen. Nothing seems to really scare her.....she plays with my cat, my wiem is a different story though...he's just waiting for her to leave. LOL Anyhow, we are having so much fun with her...we booked Toni on a Pacific coastal flight back to Vic, where she can take her with her and have her in a bag on her lap.I hope you and your family had a wonderful Christmas, and i would like to wish you the best in 2009.I will give Toni your email address, so she can get hold of you if she has any questions.

Take care and enjoy the rest of the festive holiday. I have attached a pic of Toni and Addie. i will send a couple more when i get them.

Cheers
