

**Hey there,**

**Here are our babies! We had a wonderful day and wanted them to be a part of it. Ladybugs eye was fixed when we had her spayed. There wasn't any complications and she is going quite well. You'd never know she had one! I sent the pictures electronically because we do not have them printed off yet. If you would still like us to send them I can just let me know.**

**They have such great personalities and they are so lovable.**

**Thanks so much for sending us these little creatures. They are treasures in our lives.**

**All the best,  
Jo-Anne and Poul Mathiesen**
